The Fund’s principal objective is to achieve positive market returns primarily through fundamental analysis of small- and micro-cap equities in U.S. and foreign markets. The Fund invests primarily in small- and micro-cap equities in U.S. and foreign markets but also invests in other securities. An investment in the Fund should be considered a long-term investment.

No representation is made that an investor is likely to achieve results similar to those shown. All investments involve risk including the loss of principal.

Performance results shown are for the Hirschmann Partnership LP and are presented net of all fees, including performance allocation, brokerage commissions and other operating expenses of the Fund. Net performance includes the reinvestment of all dividends, interest, and capital gains. The General Partner does not receive any asset-based management fees. For each Class A Limited Partner, the General Partner is allocated a performance allocation equal to 25% of the amount by which the increase in net asset value exceeds a 6% annualized hurdle rate. For each Class B Limited Partner, the General Partner is allocated a performance allocation equal to 33% of the amount by which the increase in net asset value exceeds the S&P 500 Index.

In practice, the performance allocation is earned annually or upon a withdrawal from the Fund. Because some investors may have different fee arrangements and depending on the timing of a specific investment, net performance for an individual investor may vary from the net performance as stated herein.
